To

The Presidents/Executive Directors/Managing Directors
of all the Stock Exchanges

Sir,

Sub: Compulsory Rolling Settlement

In our earlier circular no. SMDRP/ Policy/cir-23/2001 dated March 20, 2001 it was advised that scrips having the deferral products such as ALBM/BLESS/MCFS on any of the exchange and the scrips in BSE 200 would go into compulsory rolling settlement with effect from July 02, 2001. It was also stated that the list of such scrips would be forwarded in due course. The list of these scrips (251 nos.) is enclosed.

The list has been prepared based on the information submitted by the stock exchanges. However, if there is any scrip where there are deferral products available at any of the exchange and which has not been included in this list, the exchanges are advised to immediately inform SEBI so that the names of such scrips could also be included in the list of scrips to go into compulsory rolling settlement with effect from July 02, 2001.

Thanking you,

Yours faithfully

P K Bindlish
