Subject: Inclusion of details / clarification on the Certification of Origin of Goods for European Union Generalised System of Preferences (EU-GSP) - as notified vide Public Notice No.51 dated 30.12.2016

It is to bring to notice that the Registered Exporter System (REX) under the EU GSP was introduced in India vide Public Notice No. 51 dated 30.12.2016. During the period of its operation, request for clarifications have been received from various quarters. Accordingly, the following clarifications along with the updated list of Local Users for registration are notified (Annex-II) and other concerned agencies/ authorities:

Sl No.	Query	Clarification
(i)	What are the requisite documents to be submitted to the Local User along with the application for registration under REX system?	The basic set of documents for an application for REX No are copies of i) IEC (Importer Exporter Code) ; and ii) Importer Exporter Profile The exporters should ensure the contact details in the IEC match with those in their application for registration. Else, the applicants should get their IECs updated with the latest details before applying for registration under REX. The Local Users for registration could prescribe additional documents, on a need basis but care must taken that the process is trade facilitatory. Further, Local Users for registration will also verify the DEL status of the IEC holder, and in case the firm is under DEL, application will not be accepted.
(ii)	Who should sign the application for registration	The application must be signed by an authorised signatory or in exceptional cases by a power of attorney. A digitally signed application can also be accepted by the Local Users for

</table></td></tr>
<tr><td>(v)</td><td>What happens in case a REX number is wrongly generated?</td><td>In case a REX number is wrongly generated, the Local Users for REG would need to revoke it and then create a new REX number. Revocation can only be done on the next day of creation of the REX No. and day after on the same IEC; a new REX registration can be done. However, for each revocation Local User for REG will seek confirmation from his Local Administrator for REG.</td></tr>
<tr><td>(vi)</td><td>Can a revocation be annulled?</td><td>Yes, but for annulment of revocation, the prior approval from the Department of Commerce (which is the Local Administrator for Administrative Cooperation or ADC) is required.</td></tr>
<tr><td>(vii)</td><td>Is REX registration required for export consignments below € 6000 ?</td><td>REX number is required as long as the value of consignment is above € 6000. However, multiple consignments in a single invoice should be considered as a single consignment and if the value of the Consignment is more than € 6000, REX number of the exporter is required to be reflected on the statement on Origin.</td></tr>
<tr><td>(viii</td><td>What is a Statement on Origin?</td><td>A Statement on Origin is statement of a registered exporter verifying the origin criteria for exports under the EU GSP. The format has been detailed in Annexure 1D of the Public Notice No. 51 dated 30.12.2016 and is available at http://dgft.gov.in/Exim/2000/PN/PN16/PN5116.pdf. t shall be made out on a Commercial document such as commercial invoice, packing list and delivery notice. It cannot be made on a transport document.</td></tr>
<tr><td>(ix)</td><td>When is the Form A certificate to be issued?</td><td>The Form A certificate of origin can be issued during the transition period of 1 year (1.1.2017 to 31.12.2017) provided the</td></tr>

		exporter has not registered and obtained the REX number. For consignments below € 6000, no Form "A"- or REX number is required. For exports of € 6000 and above, Indian exporter can choose to issue / submit Form-"A" till 31.12.2017 or export their consignments with REX number (after registration under REX) and self certified Statement on Origin. If any EU buyer is insisting on Form-A, the above position may be clarified to them. In case the importer is not satisfied, matter may be brought to the knowledge of the Local Administrator for ADC (d1rmtr-doc@nic.in; usrmtr-doc@nic.in;moc_rmtr@nic.in).
(x)	What is the retention period of the documents by the Exporter and local users?	The documents have to be maintained by the exporter for a complete period of 3 calendar years starting from the end of year when the exports have occurred.
(xi)	What is the frequency in which Exporters have to report/ submit their export data to the Local Users	Exporters are required to furnish fortnightly the commercial document on which the statement on origin is made to the Local User for REG through e-mail/ physical copy at local users e-mail ID Local Users must transmit the data of trade under EU-GSP scheme as fortnightly to their Head Office/ Local Admin

2. Attention of exporters and local users is also drawn to the following EU regulations that govern the EU GSP:-

(a). **EU Regulation 2446/2015**

(i) Annex 22-03: rules of origin
(ii) Annex 22-04: materials excluded from regional cumulation
(iii) Annex 22-05: working excluded from cumulation
