Subject : Extension of Due date for GSTR3B for March 2020 till 30/06/2020 for all Tax Payers

Dear Madam,

The unprecedented damage done by the Covid 19 pandemic world over has left the already suffering Indian Economy in a grave situation.

Providing much needed relief to the stake holders, you have taken a bold step in giving relaxation in due dates, Penalty, Interest and form submission in GST. However, situation is getting worse and there is regular increase in COVID patients. Nearly 30 cities in INDIA are "HOT SPOT" and we cannot predict when situation will get better.

Looking at present situation, we request you, madam; to please extend the dates for returns of MARCH 2020 GSTR – 3B till 30th June 2020. No penalty or interest should be levied to any taxpayer. As it is final month for FY 2019-20, people may have to make multiple books entries and consolidate stock. On top of that, they will reconcile books and rectify mistakes.

We look forward for immediate action from your office.

Thanking you,

Very truly yours,

For Ahilya Chamber of Commerce and Industry

Sushil Sureka

General Secretary
