Ref No. 19/20

Dated: 19th October 2020

**Subject: Extension of Due date of GST Annual Returns and
Income Tax audits and compliance of Notices**

Respected Madam,

With reference to above It is respectfully submitted that due to Covid-19 pandemic the dealers and tax payers are not in a position to consult, visit and meet their chartered Accountants, Tax Advocates and Tax consultants, hence it is not possible for them to comply the formalities of Tax Audits, GST Annual returns and reply the notices issued by the department. It is a risk of health now to comply these procedures which practically have no substantial revenue effects.

Respected Madam, previously also you were kind enough to extend these dates considering the current situation of Covid-19, but unfortunately the situation has not improved as yet, hence we all should be careful about the health of our clients and staff.

It is therefore requested to please extend all the above-mentioned dates to 31st. Dec 2020 and oblige. Necessary orders and notification pleased may be issued at the earliest.

Thanking you in anticipation.

Your faithfully

Vijay Prakash Jain
Secretary General
